**SALE HEADQUARTERS** — The Holiday Inn, Springfield, Illinois.

**GUARANTEE** — The cattle are being sold under the Standard Guarantee endorsed by the American Shorthorn Assn. A condition of this guarantee is that notification of failure to breed must be made by purchaser to the seller within six months of the date of this sale. A certificate of registry will be furnished with each calf sold in dam. Where footnotes appear they were furnished by the consignors or written from information supplied by the consignors.

The above guarantee shall constitute a contract between the consignor and buyer of each lot. The Sangamon District Shorthorn Assn., the sale manager, the clerks, auctioneers, helpers, assume no liability. No liability for accidents is assumed by Elmcrest Farm or any other person connected with this sale. All persons attending this cattle auction do so at their own risk.

**HEALTH** — The cattle are being sold under the health regulations of the State of Illinois. Except in the cases of Certified or Accredited Herds, or vaccinated animals under the minimum age, all cattle will be tested for T.B. and Bang's. Health papers will be provided. All buyers must be aware of any deviations between the rules of their states and those of Illinois.

**MAIL BIDS** — Those wishing to buy at this sale who cannot be present may send their bids to Don Longley, The Shorthorn World, 16 So. Locust St., Aurora, Illinois, to C. D. Swaffar, Secretary, American Shorthorn Assn., Livestock Exchange Building, Omaha 7, Nebraska, or to any of the auctioneers or consignors.

**TERMS** — The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. All stock will be at buyer's risk as soon as bid off but the management will assist in loading on cars or trucks in compliance with instructions from purchasers.

This sale is held under the auspices of the  
Sangamon District Shorthorn Breeders' Association

## Sangamon District International Champion

SSF Missie, 1961 International grand champion female, with Pete Swaffar, Roger Steiger, Mr. and Mrs. Wilbur Steiger and Lowell Steiger. A half brother sells as Lot 10.

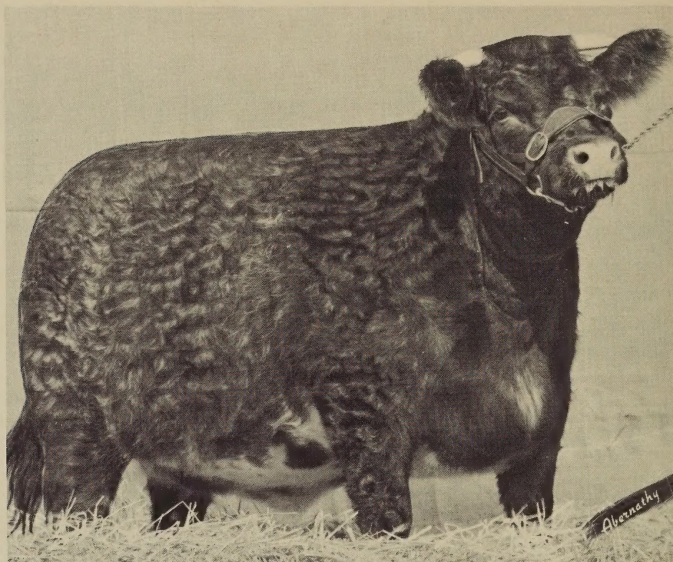

### CLASSIFICATION SEMINAR

At 1 p.m. Friday, Dec. 7, all of the sale cattle will be classified unofficially according to the new type classification scorecard of the American Shorthorn Ass'n. Scores will be announced on sale day and the sale order will be made from the results of the scoring.

This Classification will not be official because it is not being done by the association classifier and because most of the animals would be too young to be eligible. However, every effort will be made to make this instructive and informative. The Sangamon District Ass'n will not require animals to be classified but all owners are strongly urged to do so.

The classification committee for the sale includes: Paul Potter, Melbourne Farms, Big Rock, Ill., chairman; Tom Reedy, Lovington, secretary of the Illinois Shorthorn Ass'n; Howard Bell, Cary, Northwood Farms manager; Cecil Steinmetz, Earl Park, Ind., and George Inness, Galesburg, Ill.

## Sangamon District International Champion

S & T Anne of Lancaster 3d by Leveledale Caesar was reserve senior champion at the 1961 International for Malcolm Tucker & Son, Chrisman, Illinois.

### 15 CLUB CALVES SELL

STARTING AT 12 NOON

About 15 steer calves will be sold. We do not know the exact number because others may be added between now and sale day. Some of the consignors have supplied background information on their calves as follows.

**ELMCREST FARMS, Pawnee.** Four steers. One March calf by Elmcrest Diadem; one May calf by Diadem; two May calves by Leveledale Princeps.

**RUSSELL WHITE, Pawnee.** Two top prospects by Marellbar Jurist, an imported-in-dam son of Glastullich Play Boy.

CONNIELAND PAULINE 3D — I promised the sale committee a bull and female . . . when I started looking I found that after picking our replacements, the rest weren't ready, so I went out into the herd and picked one of our old standbys, I shouldn't sell. She has a red June 29 bull calf that can be used for a club calf or a bull. The way this cow holds up, I believe she is good for several more.
